Notes from Tina...

Summer Gaedtke's 9th birthday party was much like any normal birthday party. She invited her friends and family to enjoy cake, ice cream and spend her special day with her. What makes Summer's party different was the request asked of each guests. This precious little girl asked that each guest bring an item for the homeless shelter in place of birthday gifts. It touched my heart in a special way when Summer, her brother Clay, and mom Heather showed up at OSH with the items. This was one of the most unselfish acts of kindness I have ever seen. Summer is truly an amazing child that already has a heart of gold.
